Estimated delivery time Only a few in stock. Act now!

Manufacturer Sioen Ballistics

DESCRIPTION

The RESTAC groin protector gives extra protection for the lower abdomen and groin area.

Constructed from the same Foxdura 500 PU IRR fabric as the RESTAC plate carrier.

Two-way MOLLE-system on top, for the attachment of pouches, first aid kits etc. Attaches with Velcro® the lower front part of the plate carrier.

Inquiries related to product features should be directed directly to the manufacturer at info@sioenballistics.fi.

The products are not displayed in our factory showroom, and they are only available through our online store.
