Regulation item MED /1.5a, immersion suits not insulated.

Product description Ursuit® Basic Immersion Suit.

Ursuit® Basic Immersion Suit is a not insulated one piece constant-wear coverall type immersion suit made of an orange waterproof and breathable 4 - Tex multi-layer fabric. Suit is equipped with plastic zipper from waist to shoulder and reflective tapes. Watertight wrist seals are made of neoprene and neck seal are of stretch fabric. Suit has pockets at chest, sleeves and thigh and chest pocket stows attached buddy line and a whistle.

Socks are of the same material as suit itself. Suit is equipped with neoprene gloves and hood made of stretch fabric. Suit has reinforcements at knees and at bottom and suit is delivered with repair patches and a carrying bag.

Suit size range below.

Size	Length, cm	Chest girth, cm	Socks	Additional hood	Gloves
S	152 - 164	88 - 94	S / 40	M	S
M	164 – 170	96 – 104	M / 42	M	M
L	170 - 182	104 - 112	L / 44	L	L
XL	182 - 194	112 - 120	XL / 46	XL	XL
XXL	194 – 200	120 - 128	XXL / 48	XXL	XXL

Optional features:

- suit material of Gore-Tex Pazifik and various colour options
- attached polyurethane or neoprene boots
- metallic zipper
- positioning of pockets, watertight zipper on pockets
- relief zipper
- neoprene neck seal
- positioning of reinforcements
- collar with hood inside

Application Ursuit® Basic Immersion Suit is intended to be worn on board during rescue operations and during working situations when there is a danger of water immersion. The suit is made of material, which has no inherent insulation and shall be worn in conjunction with warm clothing and approved life jacket.
